John was amazing! He was very professional throughout the whole process. He had great ideas when we were stumped on song choices. He kept all of our guests dancing all night. We received many compliments on how great of a DJ we had. I highly recommend John to anyone looking for a great DJ!

Meaghan Meech/Brian McCarthy - meaghan.meech@gmail.com Wedding Date: 10/21/17 Moraine Farm, Beverly, MA. Multi set up ceremony, cocktail hour and reception.

John was awesome. He provided music for both our ceremony and reception. He was prompt for every meeting we had with him and really paid attention to detail. We gave him a relatively small list of songs that we liked and he managed to capture the style of music we were going for perfectly. He had guests out on the dance floor all night long- even during dinner!

Mike Spinale/Oscar Gonzales Morales - mspinale@gmail.com Wedding Date: 10/01/2017 Castle Manor Inn, Gloucester, MA.

John Zucco was a great DJ, and host, for our wedding. John was great to work with and had lots of good ideas for the different music we'd need throughout the event (from the ceremony to the last dance). My husband is from Spain, so we wanted to have some music from his country as part of the night's playlist and John was very accommodating to that. He has the process down pat and was organized with what

songs to play when. And when someone requested a country music song, against my blacklist, he came to me to ask about it before denying or approving the request. A great guy all around with a lot of willingness to be flexible!
