John-

As always you did an AMAZING job today. We really can't thank you enough for your incredible sensitivity to all the different issues and flexibility with handling things so diplomatically and smoothly. I am sorry that I did not get to thank you in person today, I felt like I was zooming all over the site after things started winding down.

Again, thank you, thank you, thank you.

Best,

### **Recent Weddings:**

The following is from Joan E. Kremer, Director of Food and Beverage Operations, Starwood Hotels, North American Division. I DJ'd Joan's nephew's wedding at the W Hotel Boston on 7/15/11. Joan runs the Food & Beverage Division for all Starwood Hotels (includes Sheraton, Westin, The W Hotel, St. Regis Hotel, Meridien, Element, A Loft and Four Points) in North America. I was part of an elite team chosen to DJ this wedding and provided 4 separate set ups for this event.

"I am still basking in the memories of last night and am getting ready to leave with my family on vacation however I could not leave without dropping you a quick note and believe me this is just a quick acknowledgment (something much more personal, heartfelt and celebratory will come when I am home) to thank you for giving my nephew and his bride the most special evening of their life. They walked into that room and their jaw dropped at its beauty (as did everyone else who followed). The food, service, lighting, flowers, music and room(s) were all perfect! Words truly cannot begin to describe the gratitude I feel."

Joan E. Kremer  
Director of Food and Beverage Operations  
Starwood Hotels  
North American Division.

### **And this just in from Joan Kremer after I DJ'd her sister Julie's birthday party!!**

"Hey there, How can I let a whole week go by that I have not written to say  
**WHAT A PARTY!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! And the reason being – YOU!!!!!!!!!!**

John, honestly how will the Kremer's have a party without John Zucco to make it so much fun! I knew it was going to be a good time but ..... my goodness bring out the karaoke and look what happens- in looking at the pictures not sure why we invited anyone else since we seem to be the only ones singing at least at the end of the night). We were all cracking up that you kept saying last song and then three more would play – a man after our hearts. So you now know the families deep dark secrets - we all have terrible

voices (except for Tim when he sings J Geils) none of us can dance, some of us like to drink more than others, some of us have an obsession with Bruce Springsteen (that might belong to both Julie and me) and **WE ALL LOVE JOHN ZUCCO!!!!!!** – (okay that one is not a secret )”

Joan Kremer  
Director of Food and Beverage Operations  
Starwood Hotels  
North American Division.
